2. Nene Humphrey, *Circling the Center* at 3LD Art & Technology Center

Inspired by the Victorian mourning ritual of braiding hair, Nene Humphrey's latest performance piece blends science, music, and visual art, with the artist weaving red wire as a cellist accompanies a choir. The culmination of her artist-in-residency program at the Joseph LeDoux neuroscience lab at NYU, the multidisciplinary work claims to tap into the inner workings of the amygdala, where the brain processes emotion, to demonstrate the power of art.

Location: 3LD Art & Technology Center, 80 Greenwich Street, Studio B

Price: \$20

Time: 8:00 p.m.
